- ❖ The West Greenwich Land Trust holds a number of low cost educational events throughout the year to promote our mission to preserve open space and maintain existing agricultural, wildlife, recreational, scenic, and historical land uses which represent the natural heritage of the Town, through voluntary means emphasizing private ownership.
- ❖ Our March dinner and silent auction is our only fundraiser of the year with proceeds used to sponsor and off-set our family oriented educational events such as Earth Day and Celebrate West Greenwich.
- ❖ Living here in West Greenwich, we continue to recognize the importance of our natural history in Town and the lifestyle a rural community provides to us all.
- ❖ As neighbors and friends we ask for your continued support in our mission by joining us on March 27th.
